

## LIVE FOX HUNT ENLIVEN MEET.

### Hounds Lead Deer Run Riders at Merry Clip for Seven Miles.

The hunting element of the Country Club met at the Jennels yesterday for a live fox hunt. Dr. O. W. McDaniel was on hand with his well-known pack of foxhounds.

A gray fox which had been presented to the club by Wilburn Snyder was turned loose at the north end of the Southampton Bridge and given fifteen minutes' start.

The combined packs of the Deep Run and Dr. McDaniel's were then cast and finding readily gave a beautiful run for the next few minutes.

Old Buttercup, purchased from the celebrated pack of Colonel Wade-worth, of Genesee Valley, N. Y., and the winner of many ribbons at the bench shows throughout the State of New York, led the pack and soon picked him up.

It was unfortunate that the hunting element here has not more time for live fox hunting, where this great hounds would have an opportunity of showing her great speed and wonderful nose.

After the "kill," the hunt was continued as a "drag," using, with the last of blood and the scent of a fox, the hounds led the field in a terrific pace up the Grantland low grounds to Davis's, thence crossing the canal and through Moore's to the River Road for a check.

The hounds were then taken to the Grantland Gate. The run was continued through Grantland to Davis's, down the canal, through Nolting's, Westhampton and Snyder's to the Country Club, making about seven miles.

The going was rather deep in some places, causing mix-ups and a little excitement at several of the jumps. Hunting is one of the most attractive features of the Country Club. More of its members are interested in and get pleasure from this great sport than any other feature of the Country Club, even though they may not ride to hounds themselves. Every Saturday afternoon many come out to the meet in automobiles, follow the roads, watching the runs from points of vantage, and the lawn and porches are well filled to witness the finish.

Those riding were: W. O. Young, M. F. H., on Overland; H. C. Beattie, whip, Nick of Time; P. S. Campbell, whip, Lad Francis; Miss Frederica Campbell, on Lady; Mrs. Warfield Greenhaw, on His Grace; Mrs. Fannie Greenhaw, on Baby; J. A. White, on Iron Prince; E. B. Snyder on Joe Mason; William Snyder on Gem; J. C. Miller on Westchester; B. H. Ellington on Robin; Dr. G. D. McDaniel; E. D. Harris, on Loober; J. A. Branch, on Rob Roy; Huntsman Thornton, on Gates.

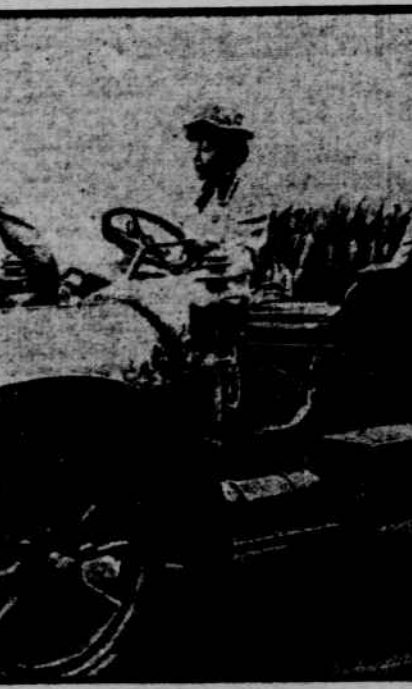

#### IS DINNING DUNNING

Dr. Reilly, of Kansas City, Believes English Runner is American Distance Champion. Kansas City, Mo., January 18.—Dr. J. A. Reilly, physical director of the Kansas City Athletic Club, believes that Dinning, the English runner who recently triumphed over Billy Quid in the fifteen-mile Powderhall race, is none other than Dunning, a boy from London, who won all the races in that city in 1908, competing for Dr. Reilly's club.

Dr. Reilly believes "Dinning" is a misprint, and it should be Dunning. He received a letter from Dunning recently, in which the runner stated that he intended to turn professional and race in England and Scotland. When Dunning was in Kansas City he won the Western A. A. U. championship at five miles and won several marathon races. He outdistanced all other competitors. Dr. Reilly predicted then: "Dunning would be world's champion if he stuck to the game."
